Deputy Heads Conference 2026/27

Leadership Styles and Reflective Practice

Join Deputy Heads from across Buckinghamshire for a day of learning, reflection and connection

Join **Patrick Cozier** for an inspiring and thought-provoking afternoon exploring leadership styles and the role of reflective practice in effective school leadership. Through practical insights and professional reflection, delegates will consider how different leadership approaches can influence school culture, strengthen decision-making and support sustainable leadership development. This session offers an invaluable opportunity for **deputy headteachers** and **senior leaders** to reflect on their own leadership journey and gain strategies to enhance their impact within their school community.

Benefits

- Explore a range of leadership styles and understand how to adapt your approach to meet the needs of different situations and stakeholders.
- Develop reflective practice techniques that strengthen self-awareness, enhance decision-making and support professional growth.
- Gain practical strategies and fresh perspectives from **Patrick Cozier** to help you lead with greater confidence, authenticity and impact.
