Be Brave
Be Bold
Be Realistic

Buckinghamshire Academy for School Leadership
BASL

The BASL Board invite you to the
2027 Annual BASL Conference for School Leaders

11 & 12 MARCH 2027 The Crowne Plaza, Stratford Upon Avon

Join school leaders from across Buckinghamshire and beyond for two days of inspiration, practical leadership strategies, professional networking and thought-provoking discussion on the future of education.

Keynote Speakers

11 March 2027

Mr P ICT is a familiar face to educators across the UK through his influential social media presence, where he shares engaging and insightful reflections on school leadership, culture and the evolving challenges facing education. Known for his authentic and relatable style, Mt P ICT encourages school leaders to focus on what matters most for staff, pupils and their wider school community.

Craig Barton is a leading educator, best-selling author and speaker, renowned for his practical, evidence-informed approach to improving teaching and learning. Drawing on extensive classroom experience and educational research, he provides thought-provoking insights that help school leaders improve outcomes for all pupils.

Gavin Oattes is an internationally renowned speaker, best-selling author and former teacher who inspires audiences through his unique blend of humour, storytelling and practical insight. Drawing on his experience as Managing Director of Tree of Knowledge, he challenges leaders to think differently about resilience, wellbeing and creating positive cultures.

12 March 2027

Diana Osagie is an acclaimed educator, leadership coach and author who empowers school leaders to build strong cultures, lead with confidence, and drive sustainable improvement. Her inspiring and practical approach challenges thinking and supports lasting change across schools.

Baroness Floella Benjamin is an award-winning broadcaster, author, children's advocate, and member of the House of Lords. Renowned for her lifelong commitment to championing children's rights, inclusion, diversity and education, she inspires audiences with powerful messages on resilience, leadership and social change.
